ABOUT

My name is OLIVER LIEBMANN and I am 20 years old. I am hardworking and ambitious with a great passion for life sciences and artificial intelligence. I have a clear, logical and practical approach to problem-solving and a drive to see things through to completion. I am eager to learn and enjoy overcoming challenges. I have a genuine interest in using my knowledge to benefit our society.

EDUCATION

University of Vienna

2019-Today

Bachelor of Pharmacy

I am currently in my first year of the bachelor's program for pharmacy.

JKU, Linz

2019-Today

Bachelor of Artificial Intelligence

At the moment I am attending an artificial intelligence focused bachelor's program.

TGM, Vienna

2014-2019

Matura with IT specialization

I graduated with good success with specialization on IT and my diploma thesis was awarded with the highest possible grade.

WORK EXPERIENCE
